SUBJECT :

Military Details to IC Staff

[REDACTED] of Military Personnel Branch, Office of Personnel, called me last week to see if the IC Staff was still interested in obtaining the details of [REDACTED] [REDACTED] from the Air Force. According to [REDACTED] you had expressed interest in these two officers last summer and had been advised by the Air Force they would not be available until this summer. The Air Force is evidently working on the next assignments of these individuals and is querying as to continued ICS interest. Could you please let me know on this as soon as possible? I have attached a memo written by [REDACTED] last May in regard to [REDACTED]. A review of our files has revealed no information on [REDACTED].
